BUCKS

Build a Buddy

brought to you by
MySchoolBucks

How to Build-a-Buddy

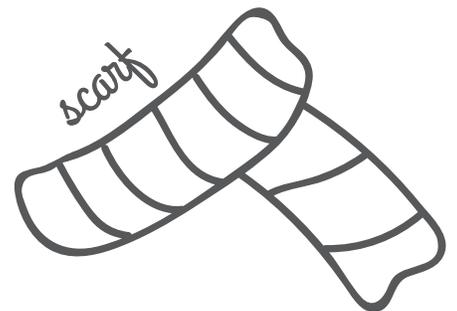

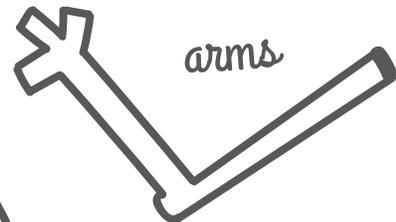

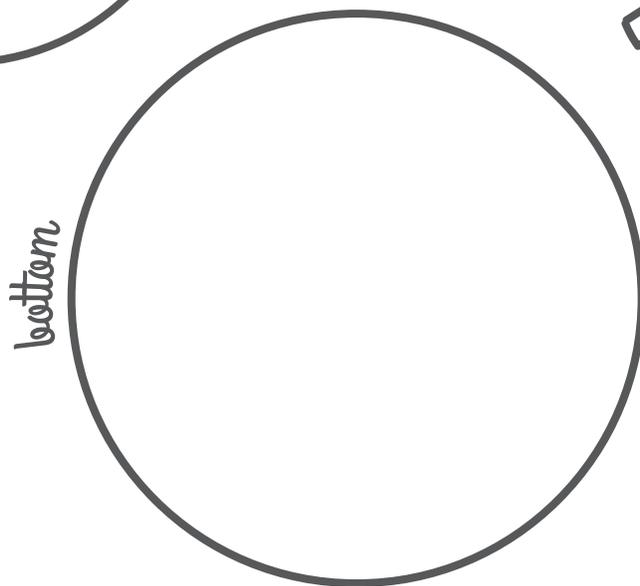

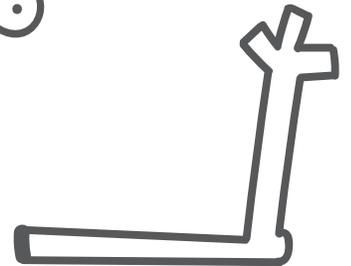

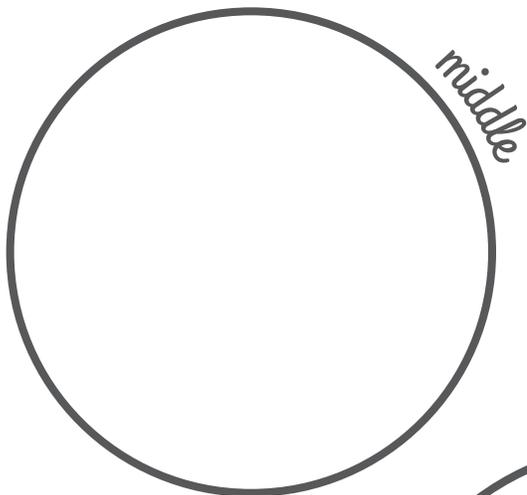

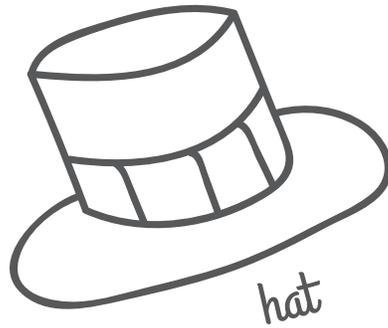

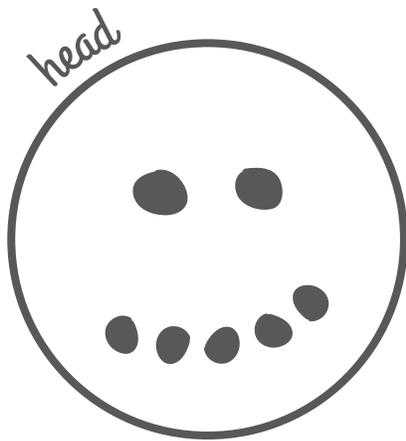

1. Pick a buddy you want to create!
2. Color in all the pieces.
3. Have an adult help you cut out each of the pieces.
4. Glue together each piece using the diagrams in the upper-right of each page as a guide.
5. And you're done!

Get Creative!

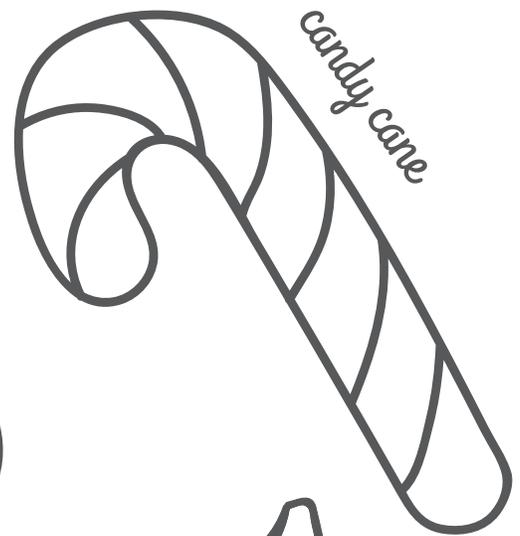

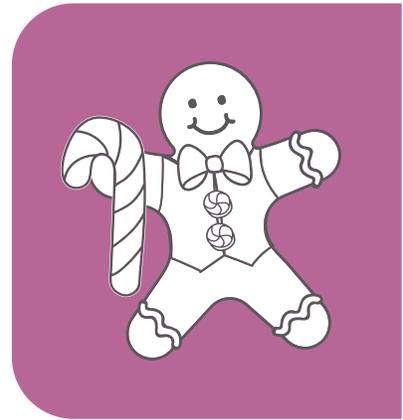

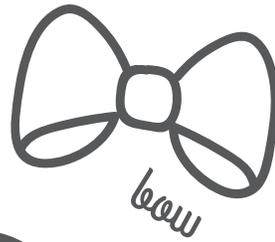

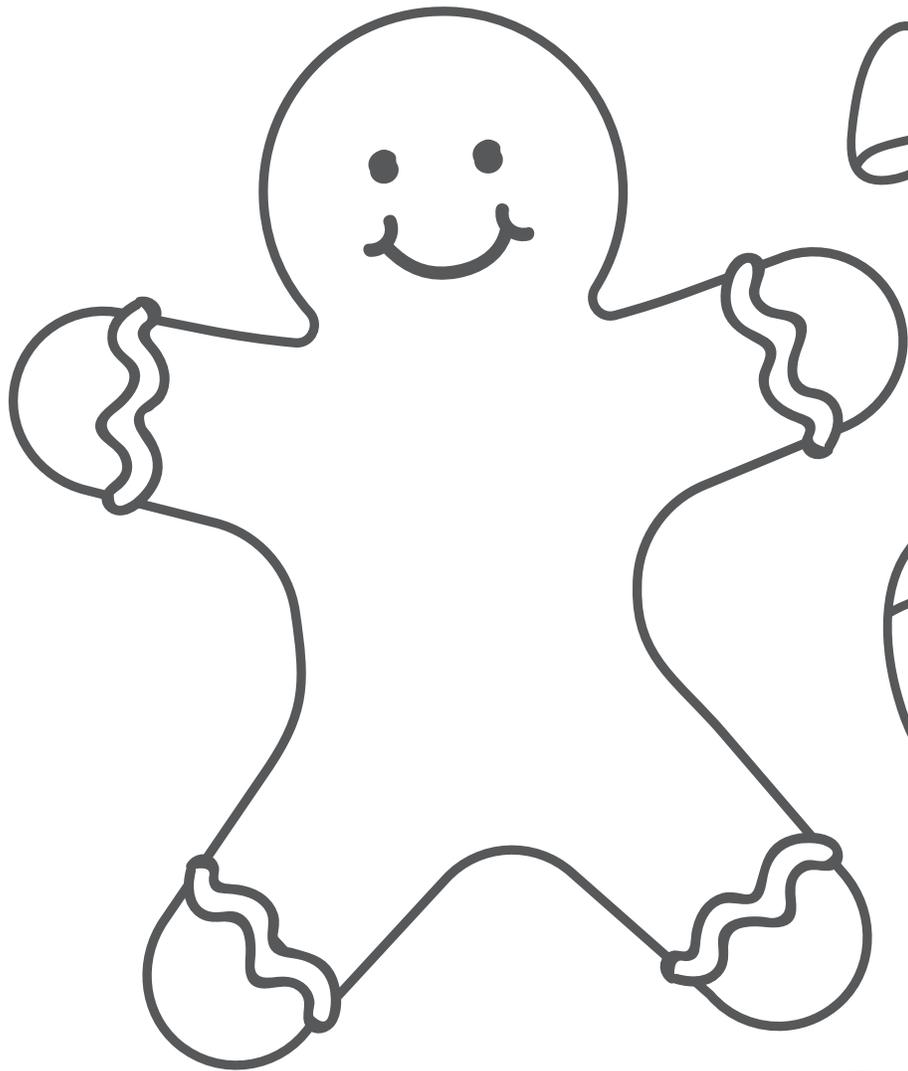

- Punch a hole in the top and add ribbon to make an ornament.
- Use buttons, cotton balls, or other items to decorate.
- Write-up a cute note on the back and give your buddy to a teacher or friend to wish them happy holidays!

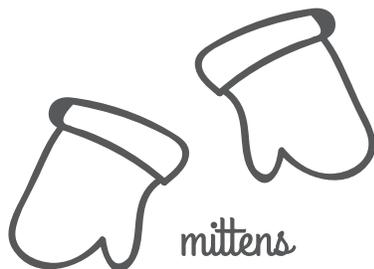

Build a Snowman

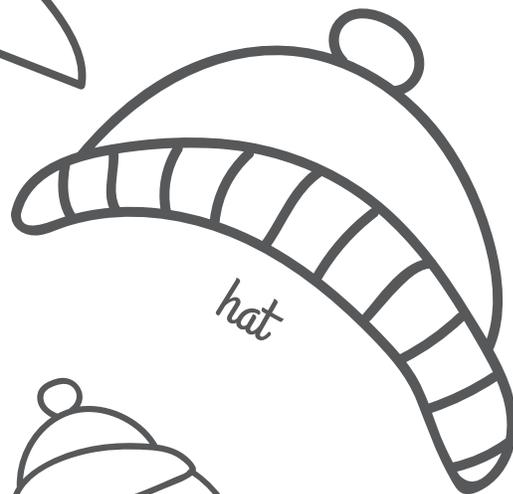

Build a Gingerbread Cookie
